Dear Adelia Advice,

My word bank:

Dear Confused Compound,

Have you ever woken up to a beautiful morning and felt the sun's light hit your face? (sunlight) Have you ever walked along the beach making prints with your bare feet? (footprints) Have you ever seen a fish that is gold? (goldfish) Do you carry your school books in a pack strapped to your back? (backpack)

Compound words are two words put together to make one word. Most often, they seem to fit together, like the suggestions above.
