Kind Rewarded

Once upon a time, there was a poor but kind little girl named Zixuan. She looked skinny, frail, and had a face full of zits. She was selling matches on Taichung Island at midnight. Why did she need to sell matches at that time? It was because her dog had died, and she needed money to bury him. But nobody bought matches from her. Then, a man approached her...

A drunkard, Mr. Andy,
stumbled over, looking
quite heavysset.

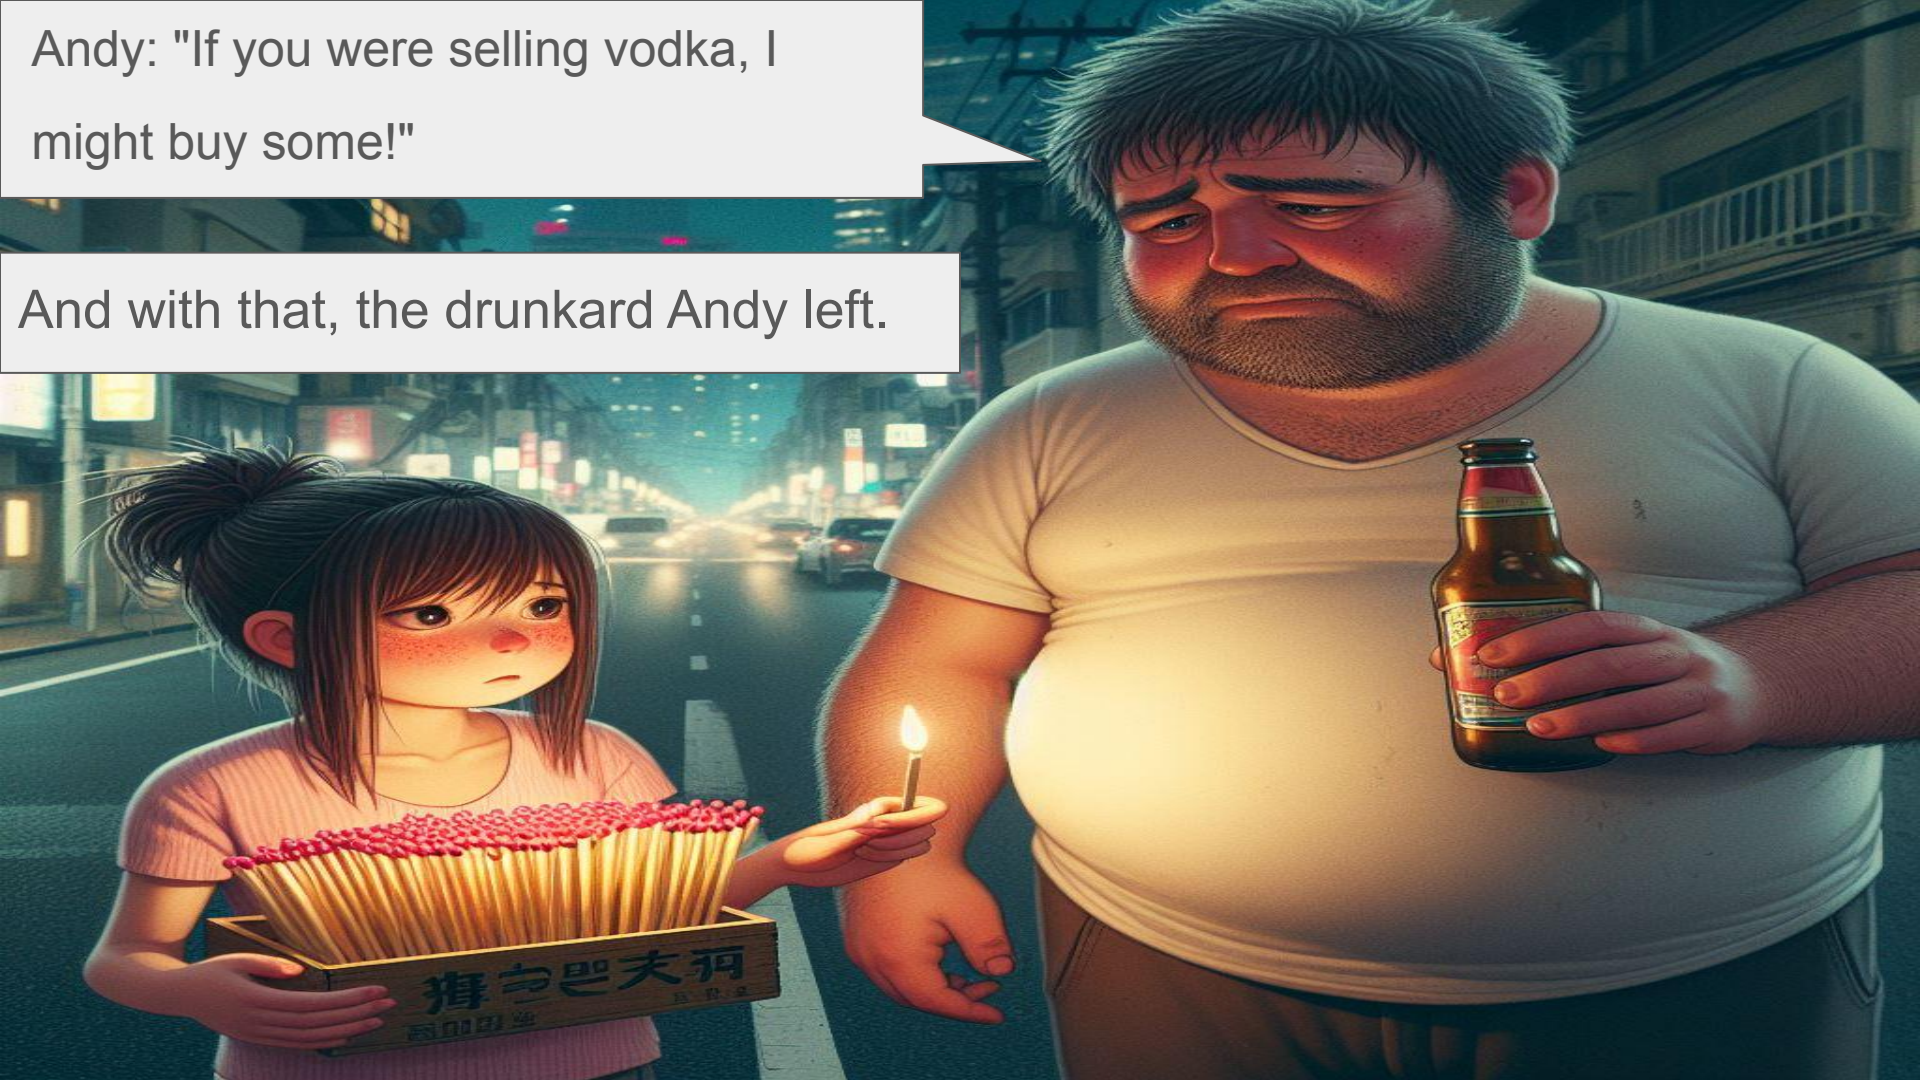

Zixuan: "Mr.Andy,could
you buy some
matches?"

Andy: "What? Buy
matches?"

Andy: "If you were selling vodka, I
might buy some!"

And with that, the drunkard Andy left.

Since Andy didn't buy any matches, Zixuan had to continue selling them. But it was too cold that night. Zixuan struck a match to keep warm.

Zixuan: "It's so cold. Maybe it will snow more heavily later."

A kind and handsome man named "Fong" noticed Zixuan selling matches by the roadside. His kindness was inspired, so he got out of his Lamborghini and walked over to Zixuan.

As Zixuan saw Fong approaching,
she leaned over and introduced the
matches to him.

Zixuan: "Sorry to bother you, but could you buy a box of matches? It's not expensive. It's neither 99 dollars, nor even 9.9 dollars. In my special offer, it's just 0.99 dollars. And if you buy one now, you'll get two for free."

Fong: "Wow! What amazing offers! I want to buy all the matches you have."

Zixuan: "Really? Thank you for your kindness."

Suddenly, Zixuan burst into tears and said, "My dog can rest in peace..." Then, they parted ways...

The next night, the entire city experienced a power outage, and the city descended into chaos.

Without any lights, the drunk Andy
fell down the stairs.

Andy: "Ouch~~!!!!!"

The kind-hearted man, Fong, used the matches bought from Zixuan to light the candle so that he could enjoy a candlelit dinner with his girlfriend. Fong exclaimed, 'What a splendid evening!'

This story tells us that kindness is rewarded for those who help others. So, if you find someone in need of help, please don't be stingy with your kindness; instead, help them.

在製作簡報的過程中，我遭遇了最主要的三大困難，第一大就是英文能力的不足，因為故事的內容要是全英文，這也就對我的英文水平帶來極大的挑戰，有時更是應為單字量不足而無法繼續書寫，不過，也就透過這次歷練，讓我的英文造詣有了質的蛻變，使得我在寫英文作文時更加得心應手。第二大困難就是故事的設計，在構想故事線和角色安排上其實是花了不少的時間，應為沒有範本，所以一切只能靠自己憑空想像，原本的內容太過平鋪直敘，毫無轉折，而現在看到的版本，就有了這項優點，這也讓我在題材的抓取以及設計上，有了進步，讓我不再像以前的單調，而是有著對比。最後一大困難點便是生圖，由於個人繪畫技術不足，只好使用現代科技(AI生圖來幫助完成)來達成目標，不過可以看到，在我多次嘗試後，圖片依然無法一致，這也是我本次繪本最大的缺點，希望下次能夠彌補這項瑕疵，來達到更好的成果。
